In a remortgage from another lender the Society will produce the offer of loan based on the figure in the application form. It is your responsibility to ensure that the mortgage balance with your existing lender has been reduced to below the offer amount before completion taking into account any early repayment charges, closure fees and daily interest charges. This avoids delay at the time of completion if the loan amount is not sufficient to cover redemption. Should a revised offer be required for an increased loan figure there will be a re-offer fee payable, please see Tariff of Charges for details of this cost. Any surplus monies will be returned to you upon completion.

In an existing Marsden borrower remortgage, the amount of loan will be adjusted at completion to replicate the amount used to redeem your existing mortgage.
